C. H. BELL

OVER MANTEL DESIGN  
Leo Freedlander, *Sculptor*

## ACKNOWLEDGMENT

THE Exhibition Committee acknowledges its indebtedness to the architects and artists who have co-operated by loaning their work for the exhibition and to the advertisers for their substantial support, which has contributed largely to the successful production of this book.

The Committee also takes this opportunity to convey to the City Arts Commission its thanks for the use of the Galleries of the Detroit Institute of Arts and for the valuable aid and co-operation so generously rendered by the Director and his assistants.
